***Explanatory Attachment to Notice of Non-Compliant Amendment***

Effective 30 July 2003, amendments filed under 37 CFR 1.121 must be filed using the following rules:

(A) When there is any amendment to a claim, a claim listing of all claims ever presented in the case must be supplied in ascending numerical order. The claim listing must include (1) the claim number of every claim ever presented in the application whether entered or not, (2) a single status identifier, in parenthesis, following each claim number, (3) the text of all pending claims (including withdrawn claims), and (4) markings (underlining, strikethrough) showing the changes made only in the current amendment relative to the immediate prior version. The claims in the claim listing of the current amendment will replace all prior versions, and listings, of claims in the application. Only seven claim status identifiers may be used: original, currently amended, canceled, withdrawn, previously presented, new, not entered. No other status identifiers will be permitted. Grouping of consecutive canceled claims, e.g. claims 1-25 (canceled) is permitted and canceled claims should not include the text of the claim.

The amendment to the claims filed 03 March 2006 canceling claims 7-11 (last page of the response) is non-compliant insofar as any amendment to the claims requires filing of a claim listing of all claims ever presented in the case.
